Job title: GFXD Director/Managing Director, AsiaPac  
Reports to: Global FX Division Managing Director (matrix to CEO, ASIFMA)

Division: GFMA Global FX Division, AsiaPac

Role purpose:

The Global FX Division (GFXD), as a division of GFMA, represents the interests of 24 of the leading FX houses (and currently 1 AsiaPac-only member) with regulators and other stakeholders. The objectives of the GFXD include:

- Promoting an efficient global FX market
- Monitoring new developments in regulations, policy and market structure
- Helping to develop market policy or best practice and facilitating consultation with key market participants
- Building relationships with members and regulators
- Identifying new members

GFXD wishes to appoint an experienced Managing Director/Director to join the GFXD who be responsible for supporting the AsiaPac activities and priorities of the Division, in addition to taking responsibility for key global issues on behalf of the team. This position reports to the Global FX Division Managing Director (based in London) who coordinates FX activities between AFME, SIFMA and ASIFMA through channels such as the Global Financial Markets Association (GFMA).

This important and challenging role contributes to the broader development and success of ASIFMA and GFMA and is an exceptional opportunity to be involved in the development of FX globally.

The position will locate in the ASIFMA offices and receive local infrastructure support.

About us

The Association for Financial Markets in Europe (AFME) represents a broad array of European and global participants in the wholesale financial markets. Its members comprise pan-EU and global banks as well as key regional banks, brokers, law firms, investors and other financial market participants. AFME advocate stable, competitive, sustainable European financial markets that support economic growth and benefit society.

The Securities Industry and Financial Markets Association (SIFMA) bring together the shared interests of hundreds of securities firms, banks and asset managers. SIFMA's mission is to support a strong financial industry, investor opportunity, capital formation, job creation and economic growth, while building trust and confidence in the financial markets. SIFMA has offices in New York and Washington, D.C.

The Asian Securities Industry and Financial Markets Association (ASIFMA) is located in Hong Kong and is an independent association whose mission is to promote the development of liquid, efficient and transparent capital markets in Asia and encourage their orderly integration into the global financial system. Association priorities are driven by the active participation of over 40 member companies, including global and regional banks, securities dealers, brokers, asset managers, credit rating agencies, law firms, trading and analytic platforms, and clearance and settlement providers involved in Asia-Pacific's capital markets.

The Global Financial Markets Association (GFMA) is a global alliance with AFME in Europe, SIFMA in the US and ASIFMA in Asia.
