DEVELOPING ASIA'S CAPITAL MARKETS

About ASIFMA Annual Conference 2016

ASIFMA Annual Conference themed **'Developing Asia's Capital Markets'** has been established for four successful years as the pre-eminent industry-wide, regional event for the financial community providing a unique opportunity for global and regional policy makers and high-caliber industry representatives from both sell side and buy side to meet and discuss important issues impacting the development of Asia's capital markets.

This flagship conference of ASIFMA, as a cornerstone industry event for the region, celebrated ASIFMA's 10th anniversary in November 2016 in Singapore. The event got 400 attendees from over 200 organizations, including 10% policy maker/public official, 7% issuer/treasurer, 22% buy side and 8% media. It also received support from more than 100 speakers including senior representatives of **Australian Securities & Investments Commission (ASIC), British Embassy, Credit Guarantee and Investment Facility (CGIF), European Commission, Financial Conduct Authority (FCA), Financial Services Agency of Japan (FSA), Financial Supervisory Service of Korea (FSS), International Finance Corporation (IFC), Monetary Authority of Singapore (MAS), Securities and Exchange Commission of Thailand (SEC)** and many other leading financial institutions.

DEVELOPING ASIA'S CAPITAL MARKETS

We have received very positive feedback from the various stakeholders including speakers, delegates, sponsors, endorsers and media partners. Most of them found the event had a good diversity of participants and a comprehensive program that provided significant and different views of the markets. They commented that the discussions were highly informative, the concurrent roundtables were interactive, and the conference was thought provoking and enjoyable with the opportunity to meet the various senior representatives with similar interests in financial regulation.
