About ASIFMA Annual Conference 2017

Building on the highest momentum and five successful years as the preeminent industry-wide and regional event for the financial community, ASIFMA Annual Conference 2017 themed ‘Developing Asia’s Capital Markets’ was held from 29 to 30 November 2017 in Hong Kong to provide a unique opportunity for the global and regional policy makers and high-caliber industry representatives from both sell side and buy side to meet and discuss important issues impacting the development of Asia’s capital markets.

In addition to this significant annual event in the region, the 4th year of the EU-Asia Financial Services Dialogue and Dinner reception is specially co-organized by ASIFMA and Afore Consulting on 30 November 2017 in cooperation with the IOSCO Asia Pacific Committee and the EU Commission.

This flagship conference was very well received with over 500 attendees in total from over 220 organizations, including 13% policy maker/public official, 23% buy side and 8% media. It also received support from more than 130 speakers, including senior representatives of Asian Infrastructure Investment Bank (AIIB), Australian Securities & Investments Commission (ASIC), Bank of Finland, Banque de France, European Commission, European Securities and Markets Authority (ESMA), European Stability Mechanism (ESM), European Union, Germany Federal Financial Supervisory Authority (BaFin), Federal Reserve Bank of Chicago, Financial Stability Board (FSB), HKSAR Government, Hong Kong Monetary Authority (HKMA), International Organization of Securities Commissions (IOSCO), Monetary Authority of Singapore (MAS), Securities and Futures Commission (SFC), U.S. Commodity Futures Trading Commission (CFTC) and many other leading financial institutions.
We highly appreciated the highest-ever levels of support from 20 sponsoring firms including Barclays, BNP Paribas, CFA Institute, Citi, DTCC, Euroclear, Goldman Sachs, Herbert Smith Freehills, ING, J.P. Morgan, KPMG, Mizuho Securities Asia Limited, Moody’s Investors Service, Morgan Stanley, Nomura, Societe Generale, Standard Chartered, SWIFT, Thomson Reuters, Zurich Insurance Company Ltd., and 19 endorsers as well as 5 media partners.
We have received very positive feedback from the various stakeholders including speakers, delegates, sponsors, endorsers and media partners. Most of them found the event had a good diversity and outstanding level of participants and a comprehensive program that provided significant and different perspective of the markets. They commented that the discussions were highly informative and lively, the participants were very engaged in the interesting panel conversations and the conference was thought provoking and interactive with the opportunity to meet the various distinguishing senior representatives with similar interests in financial regulation.
Additionally, the EU-Asia Financial Services Dinner Reception were very well received with a full house of 120 leading industry experts, where the global and regional policy makers shared their macro-views on the very topical global issues in the finance industry as well as the various key developments in the capital markets. The participants thoroughly enjoyed the valuable networking during the evening.
