

ACCESSING CHINA'S FINANCIAL MARKETS

November 13, 2018

Weil Gotshal & Manges, Washington, DC

Factsheet

Date & Location: Tuesday, November 13, 2018 - Washington DC
Weil Gotshal & Manges
2001 M St NW, #600
Washington, DC 20036

Objectives: Bring together high-level regulators, SIFMA and ASIFMA members, invited industry experts, sell side and buy side to discuss Chinese capital markets, including macro-economic developments and the investment opportunity China's opening offers to US and foreign companies. Attendees will participate in both interactive and networking sessions.

Program Format: Half-day summit featuring keynote speeches, panel discussions and networking opportunities.

Speakers: Chinese and US policy-makers, leading market practitioners including sell side and buy side, and industry experts in Chinese capital markets.

Delegate Profile: This event is expected to attract 150 participants including regulators, policymakers, market practitioners, sell side and buy side, initially by invitation-only and then marketed to a wider audience.

Delegate Fees: Admission is free of charge for speakers and attendees.

Media: This event is closed to the press.
