Growing Asia's Markets

Event Factsheet

Dates: 22-23 April 2020
Venue: TBC, New Delhi, India

Objective:

Accessing and growing India's capital markets is at the top of the agenda for Indian regulators, policy makers and market participants. This high-level, industry-wide event provided a unique opportunity for policy makers, senior regulators and industry representatives from both sell side and buy side to meet and discuss important issues impacting the accessibility and development of India's capital markets.

Program Format:

One-day conference with keynote speeches, panels, two streams, as well as roundtables with ample time to network. The conference will be conducted in English. There will be closed-door sessions on the day after the conference with selected groups of Foreign Portfolio Investors (FPIs) to discuss matters to improve the markets with key figures in the Indian markets.

Speaker Profile:

Policymakers, central bankers, issuers and treasurers, leading market practitioners from both sell side and buy side and industry experts in India's capital markets.

At ASIFMA, we are committed to ensuring **diversity and inclusion** in our workplace and this policy is applied in all areas of our business including speaker roles at our events and conferences. We wish to work with members and partners who share this same commitment and are willing to support this policy.

Sponsorship Opportunities:

To effectively engage this esteemed audience and connect with the global and regional community, various sponsorship packages with speaking slots and marketing opportunities are available for ASIFMA members and non-members offering unparalleled branding exposure and lead generation. Active India markets practitioners are particularly encouraged.

Delegate Profile:

Expecting 200-300 participants including regulators, policy makers, issuers and treasurers, sell side and buy side representatives.
