The Global Alliance: ASIFMA, AFME, SIFMA and GFMA

ASIFMA - ASIFMA is an independent, regional trade association with over 165 member firms comprising a diverse range of leading financial institutions from both the buy and sell side, including banks, asset managers, law firms and market infrastructure service providers. Together, we harness the shared interests of the financial industry to promote the development of liquid, deep and broad capital markets in Asia. ASIFMA advocates stable, innovative and competitive Asian capital markets that are necessary to support the region's economic growth. We drive consensus, advocate solutions and effect change around key issues through the collective strength and clarity of one industry voice. Our many initiatives include consultations with regulators and exchanges, development of uniform industry standards, advocacy for enhanced markets through policy papers, and lowering the cost of doing business in the region. Through the GFMA alliance with SIFMA in the United States and AFME in Europe, ASIFMA also provides insights on global best practices and standards to benefit the region. (www.asifma.org)

AFME -The Association for Financial Markets in Europe is a new organization formed from the London Investment Banking Association (LIBA) and the European operations of the Securities and Financial Markets Association (SIFMA). AFME also includes the activities formerly carried out by the European affiliates of SIFMA. AFME represents a broad array of global and European participants in the wholesale financial markets. Its 197 members comprise key global and regional banks, brokers, law firms, and a number of other financial institutions. (www.afme.eu)

SIFMA -The Securities Industry and Financial Markets Association brings together the shared interests of hundreds of securities firms, banks and asset managers. SIFMA's mission is to support a strong financial industry, investor opportunity, capital formation, job creation and economic growth, while building trust and confidence in the financial markets. SIFMA operates out of offices in New York and Washington, D.C. (www.sifma.org)

GFMA -The Global Financial Markets Association (GFMA) brings together three of the world's leading financial trade associations to address the increasingly important global regulatory agenda and to promote coordinated advocacy efforts. The Association for Financial Markets in Europe (AFME) in London and Brussels, the Asia Securities Industry & Financial Markets Association (ASIFMA) in Hong

Kong and the Securities Industry and Financial Markets Association (SIFMA) in New York and Washington are, respectively, the European, Asian and North American members of GFMA. For more information, visit <http://gfma.org/>.
